

# HELP US LEARN MORE ABOUT FEMALE ALD!

Dr. Florian Eichler's team at Massachusetts General Hospital is conducting a research study to learn more about how X-linked adrenoleukodystrophy (ALD) affects females

## WHO IS ELIGIBLE?

- Females  $\geq$  18 years old
- Diagnosis of ALD

## WILL I BE PAID?

- You will not be paid for participating in this study

## WILL I BENEFIT?

- There are no direct benefits of participating
- The information we gain from this study will help doctors better understand how ALD affects females

## WHAT IS INVOLVED?

- This study involves up to 3 remote visits including phone interviews and survey completion
- No in-person assessments are involved

## IS THIS STUDY FUNDED?

- This study is being funded by the European Leukodystrophy Association (ELA)

## WHO CAN I CONTACT?

- If you have questions or like to participate, you can contact Lizbeth De la Rosa at [ldelarosaabreu@partners.org](mailto:ldelarosaabreu@partners.org) or 617-724-1330
